GROWERS AND COLLECTORS OF U. S. Department of Agriculture

**FOREST AND SHADE TREES  
AND ORNAMENTAL SHRUBS**

**Rt. 2, McMinnville, Tennessee**

**SEASON OF 1919-20**

**TERMS OF SALE**

**ORDERS**—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

We use every care to secure prompt delivery, but we are not liable for delays or damage in transit. Our responsibility in this respect ends upon delivery in good order to transportation company, but we will gladly render all the aid we can in case claim becomes necessary.

**CLAIMS**, to receive consideration, must be made within ten (10) days of receipt of goods.

**GUARANTEE**—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

**TERMS, CASH WITH ORDERS**, except to such persons as satisfy us as to their responsibility. All bills are due 60 days after date. Interest will be charged at the rate of six per cent on bills unpaid December 1 in fall and June 1 in spring.

A Certificate of Inspection will accompany each shipment.

We are glad to have those interested visit our nurseries at any time. McMinnville is on the Sparta branch of the N. C. & St. L. Railroad. We are 8½ miles from town. Will meet visitors at station if notified.

Boxes and bales will be charged for at cost.

No charge for boxing and packing where cash accompanies order.

Most collected seedlings, such as Maples and some others, except large size, are crooked near ground and should be cut back to crown before transplanting. They grow up straight, smooth and much faster and quicker than when planted without cutting back. We cut back all seedlings to crown before transplanting.

Evergreens are pulled in the mountains; will only be collected on damp days. Orders will only be booked subject to us being able to have them collected. They should always be shipped by express.

We usually begin digging and shipping October 15th and continue with slight interruption during the winter and spring to April 15th.

We want a variety of Tree and Shrub Seeds and Cuttings. Name price and probable quantity you will have to offer.

### THIS LIST CANCELS ALL PREVIOUS QUOTATIONS

We only have a limited stock of some items and would advise placing orders as soon as possible before the assortment is broken. We wish to thank each one of our customers and friends for the liberal amount of business given us the past season, and assure them that it is our intention to take care of their orders in a satisfactory manner.
